91% of the collection of wild sable was sold with average price up 15% compared to February auction.

TOP LOT

of sable wild raw was bought by broker Alexander Tseikovich for the Fashion House «Anna Kaminskaia» (Saint-Petersburg, Russia) at 1000 USD per skin.

About 100 buyers took part in the auction. Sales of sable skins took place with active competition from buyers from China, Greece, Italy, Russia and Turkey.

The results of the May auction, The increase in the percentage of sales, which is observed for the second auction in a row, gives grounds for the further development of international fur auctions

Baikal Auction Company «Russian Sable» and Auction Company «Sojzpushnina» thanks all buyers and suppliers for participation at the auction.
